

Gatehouse Studio

interior design
home furnishings
staging

Gatehouse Studio is a full service interior design, staging and home furnishings firm with over 15 years of experience. Based in Costa Mesa, California we work throughout Southern California and beyond. We have an experienced team with differing areas of expertise, allowing us to be responsive and comprehensive in the services and styles we offer.

Our mission is to inspire and enrich our clients' lives by creating artful, timeless, and fulfilling personal spaces. Our tight-knit team is well-educated in interior design, interior architecture and furniture design. Whether we are engaged in a complete ground up development or simply customizing a furniture piece for a client, our goal is to provide a well-conceived, functional design plan that can be implemented on time, on budget and a style consistent with our client's vision. services and styles we offer.
